The price for any given health care service is an estimate. The actual charges for the health care service are dependent on the circumstances at the time the service is rendered. Posted health process may not reflect the actual amount of your financial responsibility.

This pricing does not reflect third party agreements. If you are covered by health insurance, you are strongly encouraged to consult with your health insurer to determine accurate information about your financial responsibility for particular health care service provided by a health care provider at this office. If you are not covered by health insurance, you are strongly encouraged to contact our billing office at 970-964-4036 ext. 112 to discuss payment options prior to receiving a health care service from a health care provider at this office since posted health care prices may not reflect the actual amount of your financial responsibility.
